Express Ranks in Top 10 for SIA’s Largest U.S. Staffing, Industrial and Office/Clerical Firms

OKLAHOMA CITY, Nov. 12, 2020 – Express Employment Professionals has once again landed in the top 10 of Staffing Industry Analysts’ (SIA) Largest U.S. Staffing, Industrial and Office/Clerical Firms lists for 2020.

Express was named the sixth largest U.S. staffing firm overall with revenues of \$3.53 billion for 2019, while the staffing giant was runner up to the top spot in the industrial category. For largest U.S. office/clerical staffing firms, Express placed number six on the list.

“Express continues to gain market share overall as we near our 40th anniversary connecting businesses and job seekers,” Express CEO Bill Stoller said. “We are pleased to be recognized by Staffing Industry Analysts for our efforts in providing exemplary employment services that are so critical to the nation’s workforce.”

SIA President Barry Asin said the 175 companies in the report represent 63.5% of the market for a combined revenue of \$97 billion and indicates an industry well-positioned to weather the impact of the pandemic.

“As the U.S. navigates and recovers from the current disruption, many organizations will look to utilize temporary and interim workers to meet shifting demand and maintain an active and agile workforce,” he said.

Express Employment Professionals offers a full range of employment solutions, including evaluation hire, temporary staffing, professional search and human resources.
