## **Express Tops Off Monumental Year with Sales Up 10% in Q4**

### ***Global Expansion, Numerous Awards and New Franchise Owners***

---

**OKLAHOMA CITY, March 9, 2021** — In a year filled with global economic uncertainty, international staffing giant Express Employment Professionals finished 2020 on a high note with sales up 10% in Q4, 61 total franchise agreements signed and numerous awards for industry recognition.

Early in the year, the company announced the acquisition of Frontline Recruitment Group, a direct-hire staffing firm in Australia and New Zealand and is now expanding Express Employment Professionals franchises in the region.

When the COVID-19 pandemic hit in March 2020, Express leadership pivoted all efforts to support franchisees, ensuring their survival through a once-in-a-lifetime event. This included temporarily adjusting the royalty agreement between the franchisor and its more than 830 franchises and other cost savings for franchisees.

“While we hoped it would never be necessary, years of preparation and a strong business continuity plan ensured that Express would not only survive this pandemic but thrive as industry leaders,” Express CEO Bill Stoller said. “Our amazing network of franchisees came to the table daily with ideas and support for their fellow business owners, creating an encouraging environment for each other in even the toughest times.”

These efforts, combined with a focus on staffing essential businesses, propelled job openings to above pre-pandemic levels by the end of summer with sales steadily climbing to record levels year-over-year. At the end of January 2021, sales were up over the previous year by nearly 15%.

Express sales topped out at \$3.23 billion for 2020 and placed a total of 526,000 employees at client companies.

As sales continued to grow, Express was also recognized with several industry accolades, including:

- Entrepreneur’s Franchise 500 List and Best in Category, a Top Global Franchise, a Top 100 Franchises for Less than \$150,000 and one of the Best Franchise Brands of 2020
- Staffing Industry Analysts’ Sixth Largest U.S. Staffing Firm, Second Largest U.S. Industrial Staffing Firm, Sixth Largest U.S. Office/Clerical Staffing Firm and 10<sup>th</sup> Largest Global Staffing Firm
- One of Forbes’ America’s Best Professional Recruiting Firms and America’s Best Temp Staffing Firms
- ClearlyRated’s Best of Staffing® Client Award, Best of Staffing® Talent Award and Best of Staffing® Talent Diamond Award

“Going into 2021, the future is bright for Express,” Stoller said. “We continue to focus on putting a million people to work annually and providing businesses with the HR and workforce solutions necessary to put the economy back on track.”
