

SERVING AND BRINGING *hope* TO COMMUNITIES ACROSS THE WORLD.

June 24th- July 25th

history.

The Brand It Blue Initiative was born out of a desire to serve and partner with a local organization to make a difference and provide hope in our community. For 28 years, The Express Employment Professionals Companies have partnered with local community organizations to serve and bring hope to the Grand Rapids community. This year, we are proud to partner with Wedgwood Christian Services.

about wedgwood christian services.

Wedgwood Christian Services is one of Michigan's most highly regarded mental health & behavioral health experts for helping hurting children, teens, families, and adults, and is dedicated to boldly taking on the toughest issues facing them today through residential care, counseling services, and community programs.

As a professionally excellent and distinctively Christian mental health nonprofit, Wedgwood provides a wide-range of social services to meet the needs of our community. Wedgwood's comprehensive continuum of care is one of the largest among social services agencies in the state of Michigan. Their mental health resources are open to any child, teen, family, or adult who are looking for help, regardless of beliefs.

partner with us.

We are looking for companies to partner with us and host a collection site at their business. Express will provide collection bins or totes and pick up all donations on July 25th. This is a great way to engage your entire team in a community initiative and let Express handle all of the details! If you would like to get involved, please contact Casey Jankoska - Casey.Jankoska@ExpressPros.com.
